

**PRIORITY FAX**  
**PRIORITY FAX URGENT**

**From:** (Insert Name of Religious Organization & Correspondent Here)  
**Subject** CRITICAL SECOND NOTIFICATION . DONOR SABBATH

*Dear (Insert Title and Name of Clergy Here):*

We are in the process of preparing a Press Release regarding notification to the public of the congregations that will be participating in National Donor Sabbath on (day and date). The response to this special occasion appears to be outstanding. We want to make certain that you and your congregation are given recognition in (name of local newspaper, religious publication, etc) with all of the other congregations.

Please complete the Assistance Request Form I am transmitting to you with this Priority Fax just as quickly as you can. Our fax is (insert number), or if you should have any questions, we can be reached by email at (address here) or phone us directly at (insert number here).

We again wish to remind you of the following

In November, from Friday, November 9 through Sunday, November 11, faith communities throughout the nation will observe a special time as they unite for National Donor Sabbath to increase awareness of the critical need for organs and tissues and the miracle of transplantation.

Your place as a respected religious leader in your community offers you the opportunity to lead your congregation by *simply including* organ and tissue donor awareness in your regularly scheduled Sabbath services (insert date and date here). As a religious leader you can participate in discussions of donation with congregants and affirm the choice to be an organ and tissue donor, which offers the opportunity to share the greatest blessing of all the gift of life.

More than 76,000 American men, women and children are on the organ transplant waiting list. Last year more than 22,000 organs were transplanted. Yet an average of 15 people a day now die because the healthy organ was not available.

Your participation, of course, may vary from simply announcing this special event and making literature available to including comments about organ and tissue donation in your sermon. Or you may wish to invite a speaker about the issues involved. For any or all of these efforts, we are eager to assist you.

A packet including various rituals, sermons, etc is yours by just clicking on to [transplantforlife.org](http://transplantforlife.org) and downloading this information. *Please don't forget. Return your completed form today, if at all possible. God bless you.*

Sincerely,

Name and Title of Sender
